## Air Circulation

# Portable Cooling

Exciting new patented misting fans!

- Independent shut off valve on each nozzle ensures cooling when you need it.
- GFI ground fault interrupters on all 120V units
- High volume/High velocity fans create cooling by wind movement and dispense the refreshing cooling mist over a large area.
- Totally Enclosed, U.L.C. listed motors
- Aluminum Frame
- Misting ring included
- If unit is used indoors, please provide an air exchange strategy.

VAC36-DBOSC Model

c  US LISTED

VAC30 Model

Patent No:  
US 6,789,787 B2

Part #	Description	Volt	Tank Reserve Hours	Water in Gallons
VAC18	18" Portable Cooling Unit w/ 18" Fan w/GFI	120V	6-8	18
VAC24	24" Portable Cooling Unit w/ 24" Fan w/GFI	120V	6-8	18
VAC30-FD	30" Portable Cooling Unit w/ 30" Fan, Fold Down w/GFI	120V	6-8	18
VAC30-FDO	30" Portable Cooling Unit w/ 30" Fan, OSC, Fold Down w/GFI	120V	6-8	18
VAC30-EP	30" Portable Cooling Unit w/ 30" Explosion Proof Fan w/GFI	120V	6-8	18
VAC36-DB	36" Portable Cooling Unit w/36" Diamond Brite OSC Fan w/GFI	120V	10-12	35
VAC36-DBOSC	36" Portable Cooling Unit w/36" Diamond Brite OSC Fan w/GFI	120V	10-12	35
